

## **Join the Campfire Circle**

Sitting around a campfire often creates storytelling, laughter, and joyful memories. Camp Happy Days invites you to be a part of our Campfire Circle, a dedicated group of individuals who are making a lasting impact, each month, on families facing cancer.

We are grateful to our monthly donors for believing in and funding our mission of offering cost-free, year-round programs to children experiencing cancer. Members of the Campfire Circle help Camp Happy Days light the way for children and families during a dark time. These loyal Camp Happy Days supporters make it possible for us to serve children on a state-wide level.

Join our Campfire Circle to make a difference!
