

AUCTION REQUEST

Dear Friends of Camp Happy Days,

'Wild Things' are happening! Camp Happy Days is celebrating our 34th Annual Gala on Friday, February 21, 2025, at Festival Hall. This enchanting evening featuring food, drinks, auctions, raffles and entertainment will raise funds for our cost-free programs and events. Over 400 guests will enjoy a whimsical and imaginative experience where childhood fantasy will come to life!

Camp Happy Days' mission is to be a source of hope and encouragement for children and families facing childhood cancer in South Carolina. We accomplished this goal by offering cost-free, year-round programs, activities, and access to crisis resources by serving thousands of kids and families throughout the state. It's because of events like our annual Gala that we're able to serve families experiencing childhood cancer on a state-wide level.

We are requesting your support through an in-kind donation of an item, product, or service to be included in our Gala auction. With your help, this special event will raise over \$450,000 for children and families in need.

Donations can be mailed to the Camp Happy Days office, or pick-up can be arranged by contacting ali@camphappydays.com. All donors will be acknowledged during the auction! For additional event details visit www.camphappydays.org/wildthings.

Your kindness will give back what cancer takes away to our CHD kids and families. We appreciate your consideration of this request as we celebrate our 34th Annual Gala Wild Things in support children and families facing childhood cancer.

Sincerely,

Brittany Westbrook
Gala Co-Chair
